EXAMINER'S AMENDMENT

The amendment filed April 7, 2005 has been entered.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sheree Rybak on May 3, 2005.

In the specification:

A. Page 1, line 30, the sentence -- All of the purchased liners were grown from seeds. -- has been inserted before "This".

Reasons for Allowance

In the Marable declaration filed April 7, 2005, it states that Tree Introductions, Inc. had sold the claimed plant prior to the filing date of this instant application. Ms. Rybak stated on May 3, 2005 that this statement was an error and that the claimed plant had not been sold to date.

The specification provides as complete a botanical description as reasonably possible of the claimed plant. The completeness of the description is sufficient to distinguish this new plant from the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
